PRESIDENTS MESSAGE

Welcome to Wingham Beef Week 2017

It gives me great pleasure to welcome everyone to the 30th Annual Wingham Beef Week.

The committee feels very strongly that Beef Week activities should centre on the education of children.

The Beef Appreciation and Cattle Judging and Parading Competitions have proved to be very successful and we have had schools who have not competed in the past showing an interest in being involved this year. We are most fortunate in having Wingham Beef Exports as our major sponsor and through the cooperation of their facilities and staff that we are able to conduct educational activities for the students. Hoof and Hook Competitions are a great way for producers to follow their animals through the production chain and analyse their production methods to see if changes need to be made.

To all our sponsors a very big special thank you, I can assure you that everyone involved in Beef Week appreciates your support. Without your ongoing generous support, the event would not be possible.

To our visitors attending Beef Week thank you for your support. I hope that Beef Week meets all your expectations and that you have an enjoyable stay in the Manning Area.

Please if you would like something to change or be added to our event please fill out a feedback form and return to the secretary as we are always looking for ways to improve our event.

The Wingham Beef Week Committee has spent a great deal of time and effort in organizing the various competitions and activities therefore Beef Week 2017 should be an outstanding success.

Yours sincerely

*Paul Relf
President*
