# President's Introduction

Hello and welcome to the 2019 – 32<sup>nd</sup> Annual Wingham Beef Week festival, where beef producers, school students and young beef cattle enthusiasts meet for competition, education and interaction.

The week-long event features hands on educational workshops with high profile industry presenters, competitions for beef producers and our youth relating to all facets of the beef industry.

As General Manager of Wingham Beef Exports it gives me great pleasure to once again invite students and producers into our chillers for carcass evaluation and assessment as part of our commitment to education and promotion of the Australian beef industry.

I am also pleased to announce that the extreme generosity of the Weebollabolla Shorthorn Stud, The Manildra Group and Bob Jamieson Agencies has enabled us to introduce an exciting new competition this year, a School Steer Challenge. Find out more information on page 7.

It is sponsor support such as these people/businesses, along with our many dedicated long term sponsors who are the lifeblood of events such as Wingham Beef Week.

There are so many exciting opportunities in the Australian Beef Industry I strongly encourage everyone to get involved with the event. Whether exhibitors, competitors or you just have an interest in beef cattle come along have a look at the magnificent cattle on display and learn about the latest industry/trends developments.

Wingham Beef Week is a unique event and a firm fixture on the Annual Calendar as an event not to be missed. Competitors, exhibitors and visitors can be assured of an exciting, friendly and enjoyable time with us. Your enquiries are very welcome either by phone or email, a contact list is available on the back page of the schedule or on our website.

# The Weebollabolla, Manildra Group & Bob Jamieson Agencies School Steer Challenge.

An exciting addition to Wingham Beef 2019 is the Weebollabolla Shorthorns, The Manildra Group & Bob Jamieson Agencies School steer challenge.

With the assistance of Bob Jamieson Agencies of Inverell NSW, 13 evenly sized Weebollabolla shorthorn steers were selected for this event. Schools who expressed interest into the event were placed into a draw, the first 13 schools who were lucky enough to be drawn out were matched to a steer.

The schools lucky enough to be drawn in 2019 are shown below.

#1	Kempsey High School	#8	Wingham High School
#2	Uralla Central School	#9	St Marys Gunnedah
#3	McIntyre High School	#10	Chatham High School

#5	Oxley High School	#12	Tamworth High School
#6	Dorrigo High School	#13	Brisbane Waters Secondary College

With the support once more from the team at Bob Jamieson Agencies, we were able to get the steers delivered to centralised locations for the schools to pick them up.

Another Major Sponsor, The Manildra Group, organised and donated the feed for each steer, along with the feed for the WBW charity steer, with each school received 800kgs of the Manildra Groups Calf Pellets.

The led class for this event will be in the first class held Thursday the 16th of May 2019. All steers will also be eligible for the normal carcass competition if entered.

The Beef week committee will keep people updated on our Facebook page with weights & pictures as they come through to us from the receiving schools, to all the schools that missed out make sure to put your name down for next year's school challenge.

Once again The Wingham Beef Week committee would like to thank, Weebollabolla Shorthorns for the donation of the steers, The Manildra Group for the donation of the Pellets, Bob Jamieson Agencies for drafting and the delivery of the steers & Merv Presland for organising the event.
